You are to this unique model worldwide, based on the **principle of self-sufficiency**. Our, your **social** restaurant, The Fair Warung Balé prides itself in **giving back 100%** of its profits to the foundation and its **Free Health & Medical Care** programs.

Even further than a project funding **power-engine**, the Fair Warung Balé provides a social structure to help **young adults** between 15 & 22 yo to learn a job.

This is actually the only “restaurant” worldwide, that supports and funds some Massive Public Healthcare Programs... Its concept is as simple as **giving a smile** to anyone. Just **enjoy** a **delicious** meal prepared with **fresh** products and made with **love**, and you will **become a real active participant** to any of our **medical** and **social projects**.

One human purpose leading to another one... Coming from **different walks of life**, all dealing with **social**, **economic** or **medical** difficulties, the foundation Angels armed with their **smile** and **big heart** embrace daily this **challenge**: Making a **huge impact** on both their **personal** & **professional** life, but also on the well being of their fellow countrymen. Thank you for doing with us **this massive difference**, we are at home here with all of you.

HOW TO HELP *the foundation*

Dear Madam, dear friends, dear sir,

After the creation and development of our first **Free Medical Center**, the first **Social Pharmacy** & the **Free Monthly Health/Medical Care day Event's**, we are proud to have completed our first hospital.

This new hospital, serve a population of **several thousand patients a year**. These kids will be cared by Indonesian, Swiss and foreign medical teams.

From now, the foundation is ready to welcome more than **15,000 patients** per year, currently **without any medical resource**. We will offer them solutions for **health & medical care**, one real Hospital for

them and Indonesians kids.

Where you come into play: As you can see, these are **not words in the air**, it is **happening right now!** Let's take it a step further **together** and include **more players** in this **human adventure**: The Fair Future Foundation is looking for **scientific** and **financial** partners willing to be actors in this project and embark in this **healthcare humanitarian mission**.

Your active participation can be of different nature depending on your own activity: **Financial engagement** or **Material contribution** such as but not limited to: Medical equipment, disposables, instruments...

We sincerely thank you for your time and attention and your benevolence for the Fair Future Foundation. With love.

*Alex **Wettstein** - Founder, president and volunteer medical staff.*
